

Subject – Extension on assignment submission date

Respected Sir,

I am Chahat Gupta, Registration number – 25BCE10862, a student pursuing Digital literacy from your class. Due to stomach ache and high fever, I will not be able to complete the assignment on the given deadline. Doctor advised me to take bed rest. I request you to give me a day or two extra days for completing the assignment till the submission date. It would be very helpful for me. I am sorry for the inconvenience and would be really grateful if you grant my request.

Thank you for your time and consideration and I apologize for the inconvenience and will be really happy if I may get the extension.

Thanking You

Yours sincerely,

Chahat Gupta
